Dear Sirs:-

Your name has been handed to me by a friend, stating that you were in the coin business. I was thinking of buying some coin, if the price is not too high. I want to get six gold dollars, three large ones and three small ones, also the following list of coin: one gold quarter, one gold half dollar, one 1795 silver dollar, also 1798, 1799 and 1800 and the half dollars to match. I want them in fair condition. Have you also an 1856 eagle cent, and also a copper cent of 1804. They must be in fair condition.

Hoping to hear from you soon, and if your prices are not too high I may buy them.

Yours truly,

W. W. Wagner
